When To Use Area Codes:

You must dial "1" plus AREA CODE when you are calling a number in another area code that is different from the one on the phone you are using.

Check For Different Time Zones:

When placing long distance calls to other area codes, look on map above to see if the place you are calling is in a different Time Zone. It may help to plan your call.

If You Cannot Find Area Code:

For a location not shown on map of area codes dial "0" (operator).
